- World Changers-The World Changers group worked hard on and completed 6 houses for elderly citizens. They painted, removed brush, repaired decks and gutters on Augusta. One of the citizens sent a thank you letter to the City for all the help the group did. Instead of ten kids, this year we had 25 and into two groups to get the jobs done.

POLICE CHIEF, FRANK MININNI

- Normandy School District Security – At the 24-1 meeting, the Police chiefs were informed by Abernathy, the security for Normandy School District that the budget for the school has been cut by 50%. The security staff will be cut in half, which means our police department will be answering more calls at the school. It will take two officers off the streets, instead of one, leaving our citizens unprotected.
- Bike Equipment for Officers- A letter was sent to all five departments for a couple of bikes and equipment. It helps with public relations and allows the officers to get closer to the residents. We asked for each city to contribute \$288.00 per city for this program.
- New Hires-The police department has 9 applicants going to the personnel board for approval. We are hiring two at this time. If the Council would like to be a part of the hiring process please let us know.
- Refugees from Honduras- We were informed today that St. Vincent's will be taking in refugees from Honduras. We did not receive any details about the number or information about the children. We are concerned because that is not a secured location.
